[AMcE Creative Arts](#) is pleased to present *Pattern, Form and Figure*, a group show that delights in the joy of unconformity and the energy of patterning and color.

*Pattern, Form, and Figure* features two- and three-dimensional work from regional and national artists exploring figuration through varying systems, mechanisms, and media. The included artists play with expressions of unconformity, reinvention, and experimentation through diverse materials, forms, and patterning. The works range from wild and quirky, charming and playful, maximalist and sweetly subdued. Color and freedom of expression rules the day.

*Pattern, Form, and Figure* artists include Sophia Allison, [Debra Broz](#), Marcus Cain, [Johanna Goodman](#), [Robert Hardgrave](#), [Jon Huck](#), Melissa Kagerer, [Melissa Manfull](#), and [Kim Tucker](#).

In the [Niche Market Storefront](#) we have ceramics by Tammy Smith.
